Membership Dues Worksheet for January 2017 – December 2017

Please use the following definition of Gross Wireless Revenues to compute the annual dues for your company:

GROSS WIRELESS REVENUE:

Gross wireless revenue generated in North American markets related to the wireless industry, including sale of goods and services and license fees.

Using your company's most recently completed fiscal year (e.g., if your company's fiscal year ends on December 31, 2016, you would include revenues for calendar year 2015), please indicate the most appropriate revenue range.
